ATI ANNANG USA CUP 2015

WELCOME ADDRESS BY THE NATIONAL CHAIRMAN

We bring you greetings from your Annang brothers and sisters in the United States.

Our organization in the USA resolved to execute a soccer competition in Annang land to build unity among our people with the following objectives:

- a. To popularize Ati Annang USA as an education supporting organization which fulfils our education agenda.
- b. To foster Annang unity through sports.
- c. To provide a forum for networking among our youth.
- d. To provide grounds for community and communal growth.
- e. To create a nationwide interest in schools located in Annang land by exciting the alumni base of our secondary schools to give back to their alma mater.
- f. To encourage health through sports.

We encourage you in this competition, to fly high the Annang flag as you compete with each other. We exhort you to emulate the values of love, compassion and brotherliness towards each other.

We stand on the shoulders of those who have come before us, men and women who have made sacrifices for the growth and development of Annang land. We challenge you today to take your place in our common ancestry and raise up our collective spirits.

Thank you. God bless you. God bless Annang land.

I remain,
